

Statens vegvesen

Application for duplicate Vehicle Registration Certificate (VRC)

Name:	
Registration number (licence plate number):	
Vehicle identification number (VIN):	
In which country will the vehicle be re-registered?	
Explain what you have done to obtain the previous owner's VRC and the reason why it cannot be obtained:	
Number plates have been handed in	We can only issue duplicate VRCs to deregistered vehicles, and you need to submit the number plates to the Norwegian Public Roads Administration.

All fields must be filled in for the application to be processed.

We will return incomplete application forms.

I am applying on behalf of the owner	If you are applying on behalf of the vehicle owner, you must upload written authorisation and a copy of the owner's ID along with the application using the contact form for VRCs and number plates .
--------------------------------------	---

Information regarding the application

Please send the application form to us by email to firmapost@vegvesen.no.

It may take up to four weeks to process a request for a duplicate Vehicle Registration Certificate.

The duplicate VRC will be sent to the address registered in the register of motor vehicles. If you want the duplicate VRC to be sent to a different address, [you must book an appointment at your local Driver and Vehicle Licensing Office \(trafikkstasjon\)](#), bring the application form, provide identification, and ask the clerk to order a duplicate vehicle registration card. You can also upload your ID and documentation along with the application form in [the contact form for VRCs and number plates](#).

If you have questions regarding the re-registration of a vehicle abroad, please check with the registration authorities in the country where the vehicle is to be registered.
